

THE FEARLESS LEADER

GET YOUR BUSINESS & CAREER BACK ON TRACK

8-week Group Mentoring Program
with Kathy McAfee

WE NEED MORE FEARLESS LEADERS NOW

We believe that by advancing more Women and People of Color into leadership positions now, more businesses, organizations, and communities will grow and prosper in the future. To achieve this, we must overcome barriers to leadership. This program will help.

The goal of The Fearless Leader 8-week group mentoring program is to help more Women and People of Color get their careers and businesses back on track and moving forward in positive and productive ways. Learning in a diverse cohort experience, participants emerge from this program with new leadership skills, more confidence, greater self-awareness, and the courage and opportunity to lead in business and beyond.

HOW THIS WILL CHANGE YOUR FUTURE

If you are a professional working woman, minority employee or business owner, or consultant with leadership ambition and talent, we want to work with you. We will help you take charge of your career and business, become bolder and more focused, and help you and your organization see you as a leader. It's time to invest in your future by becoming a more fearless leader. Your leadership seat awaits you.

INVEST IN YOUR HIDDEN LEADERS

Sometimes deserving people get overlooked or are hiding in plain sight. That's why we work with progressive companies and motivated leaders who build diversity, equity, and inclusion into their talent strategy, workplace culture, and leadership philosophy. We'll help you groom and develop more Women and People of Color so that they can become leadership assets for your organization.

People selected for The Fearless Leader program must be fully committed to do the work and take personal responsibility for their own professional development. ***That's why we require candidates to APPLY for this 8-week group mentoring program.***
